New York, Feb. 13.

The Herald's Havana special says: Massianla salvices waste the severe drought is returding the tobacco growth and the probability is that the crop will be haif short.

Madame Ristori has received a letter from the Emperor of Brazil, offering a free passage for herself and troupe to Rio de Janiero and also the use of the imperial theatre in that capital. A special to the World from Montgomery, Ala, of the 12th says: A plan is on foot here to secure one-laft of the registered votes to carry the Constitution. The real majority against it is shout 20,000, but to-day orders were given to reopen the polit for five days.

A circular of questions has just been issued to corry Register Board in the State, the object of which is to secure answers upon which to reopen the polits in other counties.

The Fresident of the Convention is in the city and it is understood to be the purpose to issue certificates of ratification of the new Constitution and of the election of candidates running under it.

The Greerror issued a circular this morning

ang under it. The Governor issued a circular this morning This is the only paper between Pitts-burgh and Eric that receives the As-sociated Press Telegrams and Cable

VERY LATEST NEWS.

#### WASHINGTON.

Army Numination.

WASHINGTON, Feb. 13.
The army nomination to the Senate to day by the President, was that Lieutenant General Sherman is to be General by broyet

At a meeting of the Reconstruction Committee
this morning, Representative Stevens, of Penusylvania, submitted a resolution, that it appeared from the late correspondence between the President and General Grant that the President had violated or sought to violate the provisions of the Tenure of office bill, and that consequently be is guilty of high crimes and misdemeanors, for which he ought to be impended by the House This resolution was diseased with much apirit, and the point of debate was as to whether the President had rich and the bill by his chart to induce General Grant to had the office of Secretary of War, at the disposal of the President, ance the Sanate, by its read mison, had renarred Sanaton Finally, the resolution was tabled, which created considerable excitement, and the Communice adjourned; when Mr. Sterms to wited Messes. Soniton well and Parnsworth to meet with him, in order to take other steps on the subject.

Bill Sigmed. dent and General Grant that the President had

Bill Sigmed. The President has approved and signed the bill llowing taxation by States of the shares of Na-

allowing taxasion and the storage transfer the storage transfer of 18 The United States bouds of 1847, which matured the 31st of December, will, it is understood, be paid on presentation at the Treasury Department or at the office of the Assistant Treasurer in New York, interest being allowed only to the first of January last.

January last.

CONGRESSIONAL PROCEEDINGS

The House considered the bill concerning the rights of American citizens abroad.

The motion by Mr. Wilson, of Iowa, to refer to the Committee of the Whole, was rejected.

The motion by Mr. Balks, to commit the bill and amendments to the Noreigo Committee, was adonted. idopted.

Mr. Banks asked leave for the Committee to

Mr. Banks asked leave for the Committee to report at any time.

Mr. Washbaru, of Illinois, objected.

Mr. Banks said he would move to suspend the gules next Monday for that purpose.

Mr. Miller, from the Committee on Revolutionary Pensions, reported a bill giving eight dulare per month pension to every surviving officer and cullsted man in the milliary service of the United States who served consecutively three flour and enlisted man in the milliary service of the United States who served consecutively three months in the war of 1813 and who was hono-ably discharged, and who during the late robu-lion had not adhered to the cause of the enemies of the Government, and who can take the test oath, and are in circumstunces which renders them dependent on others for support. During its consideration the morning hour ex-pired and it went over till Tuesday next. The Speaker proceeds a letter from the Sec-

During its consideration the morning home expired and it went over till Tuesday next.

The Speaker presented a letter from the Secretary of the Tressury with a draft of the bill relative to the commercial relations of the U.S. with Spain and her colonics. Referred to the Committee on Commerce.

Mr. Julien presented a memorial from three representative boiles of the Society of Friends in the West, in reference to the Indians. Referred to the Committee on Indian Afford.

The House then proceeded to a consideration of the election case from the Second Congressional District of Kentucky.

Mr. Donnelly introduced a bill to regulate the disposal of lands that may be hereafter given to add in the construction of railroads. Referred. The bill gives all such lands to the States, to be sold to actual settlers at prices from \$1.25 to \$5 per acre, secording to the distance from the railroad, the proceeds to go to the railroad companies and to be disposed of as other public lands are. The lands are to be sold to actuars or lung time with a view to encourage the settlement of the country. The bill cashedses the views of the Committee on Public Lands.

Adjourned.

A memorial was presented from the Manufacturers' Couvention, Clereland, praying for economy in the administration of the Government.

Mr. Howard presented a memorial of the elitation of Ann Arbor, Michigan, on the same sub-

Ject.

Mr. Wilson offered a resolution, which was adopted, asking for information from the Secretary of War in regard to the amount of subsistence stores purelased under orders of the War Department for the Indians under the charge of Indian Bureau, for which payment has not been made.

male.

Mr. Wilson introduced a memorial to grant relef for property desiraged by United States,
roops during the War. Referred to the Commit-

troops during the war. Referred to the Commit-tee on Claims.

Mr. Grimes called up the bill for the relief of

Mr. Grimes called up the bill for the relief of cettain divernment contactors, containing an appropriation of about \$200,000, which was discussed till the expiration of the morning hour, when the resolution to admit Mr. Thomas, of Maryland, was called up.

A submitute was offered that Mr. Thomas cannot be permitted to take the oath of office required by the Constitution of the United States, inasmuch as he allowed his namer son to leave the paternal roof and serve as a rebel soldier and included dollars to carry out his purposes, all of which was in add and comfort and encouraging to rebelliou, which he was torbidden to give, for which and in forhearing to make known that purpose to the proper authorities he was guilty of treason under existing law.

aw. Mr. Summer opposed the admission of Mr.

fhomas,

Mr. Trambull favored his admission, denying that there was any evidence of disloyally before

the Sciente. Messar, Yates, Sherman and Curbett opposed his admission.

He had allow rose to speak, but gave way to adjournment.

### FORTRESS MONROE. Vessel Destroyed.

Fortrass Monnor, Feb. 13.

It appears the revenue enter Nemaba, the destruction of which was caused by an explosion and has already been announced, first took fire and being loaded with powder the hands made inset to leave the veasel, though a furious gald was blowing at the time. One best was swamped and two men were drowned. The remainder got schore with the other bests, handing in the marsh and being drouched with water. They nearly perished from cold, but by walking briskly for a mile reached a house where they were humanuly cuterial-self.

#### PRIDERICKTON. The Legislature.

The Legislature.

The New Brunswick Legislature met to day, and the Governor in his speech says the revenue is lightly satisfactory. He recommends the abolition of useless public offices and a right economy in the public service. Also, the adoption of measures to develop the resources of the province and facilitate the actionance of lands. He furthermore recommends that the educational system he smended.
